***UCare for Seniors* HMO-POS Plan**

Pharmacy Directory

This Pharmacy Directory was updated on 01/01/2018. For more recent information or other questions, please contact *UCare for Seniors* Customer Services at **612-676-3600** or **1-877-523-1515** toll free, or, for TTY users, **612-676-6810** or **1-800-688-2534** toll free, 24 hours a day, seven days a week, or visit **ucare.org**.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at **ucare.org**. You may also call Customer Services for updated provider information.

UCare for Seniors is an HMO-POS plan with a Medicare contract. Enrollment in *UCare for Seniors* depends on contract renewal. This document is available in alternate formats or languages.

Introduction

This booklet provides a list of *UCare for Seniors* network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and *UCare for Seniors* formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under *UCare for Seniors* only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current

as of 01/01/2018. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your cost for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with a  to distinguish them from other pharmacies in our network that offer standard cost-sharing. The following *UCare for Seniors* plans will have a preferred cost sharing benefit starting January 1, 2018: *UCare for Seniors* Classic, Essentials Rx, Value Plus and Group Plans.

You can get prescription drugs shipped to your home through our network mail order delivery program, which is called Express Scripts, Inc. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, including for instructions on how to submit claims for prescriptions that you had to fill at a non-network pharmacy, please see the first and last cover pages of this directory for information on how to contact *UCare for Seniors*.

Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program.

Express Scripts Mail Order is in the preferred cost sharing pharmacy network. The following *UCare for Seniors* plans will have a preferred cost sharing benefit starting in 2018: *UCare for Seniors* Classic, Essentials Rx, Value Plus and Group Plans. (*UCare for Seniors* Prime and Standard members do not have a preferred pharmacy cost sharing benefit.) Consult your EOC for more information.

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting us at the number below. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, please contact us 30 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within two weeks for a first time fill. If you do not receive your prescription drug(s) within this time, please contact us at:
